UNDERGRADUATE TERMS & CONDITIONS

1. TUITION FEES:

- Programme Fees

Programme Fees cover tuition for the whole academic year and are not refundable if a student withdraws part way through the year. Students who withdraw from their course of study during the year are liable for fees for the entire year.

- Middlesex University Registration Fees

Included in the Programme Fees that students pay to LST are fees the School has to pay to Middlesex University to cover the costs of registration and other academic administration associated with their validation of the LST programmes.

- Amenities Fees

Amenities Fees cover the use of School facilities, use of the library (both on campus and online), and IT and admin support. Online students are not required to pay amenities fees.

2. MAINTENANCE FEES:

- Residential Fees

Residential Fees cover all term-time meals and accommodation. They do not cover meals or accommodation during the Christmas, Easter or Summer vacations. There is no refund available if meals are not taken. Residential Fees cover accommodation from dinner the evening before term starts, until breakfast on the day after term ends. Residency during vacations is subject to room availability and separate rates apply. Further information can be obtained from the Facilities and Catering Managers.

Students who wish to move out of School accommodation are responsible for Residence Fees for the remainder of the year or until the School has found a substitute.

- Lunches on campus (Only for non-resident students studying on campus)

We value community at LST and we assume that students studying on campus will wish to have lunches provided at LST on the days they have lectures. Students wishing to opt out of school lunches should do so on their Undergraduate Acceptance Form, which should be returned when they accept their place in the School. Continuing students must contact the Engagement Team on engagement@lst.ac.uk at least two weeks before the start of the year if they wish to opt out of lunches on campus.

Students wishing to change their lunch option during the year can only do so on a termly basis and should do this by emailing the Engagement Team on engagement@lst.ac.uk. The deadline for making such changes is two weeks before the end of the preceding term.

3. STUDENT BODY FEES:

A Student Body Levy of £54 is paid by the School for all on campus and blended undergraduate students, whether full-time or part-time, out of the Amenities Fees. The student body is run independently of the School by an elected Student Committee.

4. SPECIFIC PROGRAMME FEES:

- Music Tuition Fees (Theology, Music & Worship & Theology & Worship) are included in the programme fees and cover the instrumental tuition provided as part of the programme.
- Counselling Training Weekends (Theology & Counselling) are included in programme fees.

5. PAYMENT TERMS AND DISCOUNTS:

- Payment Terms

Fees are invoiced and payable annually in advance.

Payment may be made by instalments, following submission of the Payment Plan Form. If a payment plan is agreed and not adhered to, interest will be added to overdue accounts.

Non-payment of fees may result in withdrawal of access to School facilities.

Students who have difficulties in paying fees, or require financial assistance or information, please speak to the School's Credit Controller on 01923 456125 or email creditcontrol@lst.ac.uk at the earliest opportunity.

Final year students who have not settled all fees in full by 31st May will not be permitted to graduate.

- Discounts for Annual Settlement

Any student who wishes to pay their total invoice (fees and accommodation where applicable) for the year by 31st October is eligible for a discount of 1% on the total payable. Students wishing to take up this option should email accounts@lst.ac.uk and request the Annual Settlement Discount by 1st October at the latest. This option does not apply to students whose fees are being financed by a student loan, as the Student Loan Company pays the School fees by installments.

- Tuition Discounts for Married Couples

A discount of 25% applies to the Programme Fees of one partner of a married couple when both are studying for a full- time or part-time taught course at LST (the discount applies to Undergraduate and Master/Postgraduate Diploma programmes only and to the lower of the 2 sets of fees). Further information can be obtained from the Accounts Department upon request.

6. DEPOSITS:

- Fee Deposits

All students are required to pay a Fee Deposit to secure their place at the School. For UK and EU students the deposit is £500 and for international students £5,000. This deposit (less Room Facilities Deposit where applicable) will be applied to the first fee invoice. The deposit is non-refundable after 1st September. Where 100% of a student's fees are covered by the student loan and they have no other further costs to pay, the deposit will be refunded at the end of the academic year.

- Room Facilities Deposit

For those who wish to be resident on campus, an amount of £150 will be taken from the Fee Deposit and be used as a Room Facilities Deposit. This deposit is refundable, provided that the room key is returned at the end of every term and the room does not require additional cleaning.

If a student withdraws from the accommodation after the 1st September 2019, the Room Facilities Deposit will not be refunded.

7. INDIVIDUAL MODULE PRICE (This includes Programme Fees and Amenities Fees)

	ASSESSED	UNASSESSED
Per 10 credit module per semester (on campus)	£750	£500
Discounted rate for Spouses / Alumni / Training Supervisors	£375	£250

8. FINANCIAL HARDSHIP

If students are not able to meet the agreed payments, they must inform the School's Credit Controller at the earliest opportunity by email to creditcontrol@lst.ac.uk or phone 01923 456126 and provide an alternative payment plan for approval by the Credit Controller.

- Payments must be made according to the mutually agreed payment plan and new circumstances must be communicated as soon as they arise.
- The School has limited bursary funds to assist existing students with financial difficulties. Bursary applications can be made throughout the year for consideration by the Bursary Committee, which meets once per term.

9. STUDENT LOANS

- All of the School's Undergraduate Certificate, Diploma and Degree programmes, whether full time or part time, and whether on campus, online or blended delivery are all "designated" by Student Finance, and as such eligible students may apply for the student support applicable.
- The School receives the Tuition Fee Loan on behalf of the student. If for any reason, the loan is recovered by the Student Loan Company, the student is responsible for paying the School any shortfall in fees, even if no longer studying at the School.
