Total	£3,195

Fees are reviewed annually and are likely to rise at least in line with inflation

POSTGRADUATE TERMS & CONDITIONS

1. TUITION FEES:

- Programme Fees

Programme Fees cover tuition for the whole academic year and are not refundable if a student withdraws part way through the year. Students who withdraw from their course of study during the year are liable for fees for the entire year.

- Middlesex University Registration Fees

In addition to Programme Fees that students pay to LST, fees are also paid to the School to cover the costs of registration and other academic administration with Middlesex University who validate our programmes. They are payable in Year 1 and Year 2 only. Middlesex University Registration Fees are non-refundable.

- Amenities Fees

Amenities Fee cover the use of School facilities (both on campus and online), use of the library (both on campus and online), and IT and admin support. All students are required to pay amenities fees.

2. SUBSIDISED PROGRAMME FEE RATE:

- A reduced programme fee rate applies to students of the UK, other EU countries and to students carrying a passport of countries with a middle-lower Gross National Income (GNI) according to the World Bank.
- For students commencing in 2019-2020 the subsidized programme fee applies to countries with a GNI of less than \$3,850 in 2018. On request, the School accounts department (accounts@lst.ac.uk) can provide a list of these countries.
- Students from countries for which the standard rate is applicable, who then become UK citizens during their course will be charged at the subsidized rate from the start of the next academic year after becoming UK citizens. For the purposes of deciding subsidised rates the marker used by the school to determine citizenship status is the country issuing the passport held by the student.

3. PAYMENT TERMS AND DISCOUNTS:

- Payment Terms

Fees are invoiced and payable annually in advance. Payment may be made by instalments, following submission of the Payment Plan Form. The Middlesex Registration Fee cannot be paid by Instalments and is payable in full by 31st October. If a payment plan is agreed and not adhered to, interest will be added to overdue accounts. Non-payment of fees may result in withdrawal of access to School facilities.

Students who have difficulties in paying fees, or require financial assistance or information, please speak to the School's Credit Controller on 01923 456125 or email creditcontrol@lst.ac.uk at the earliest opportunity.

Final year students who have not settled all fees in full by 31st May will not be permitted to graduate.

4. DEPOSITS:

Students are required to pay a Fee Deposit of £800 to secure their place at the School. This deposit will be applied to the first fee invoice. The deposit is non-refundable after 1st September.

5. FINANCIAL HARDSHIP

If students are not able to meet the agreed payments, they must inform the School's Credit Controller at the earliest opportunity by email to creditcontrol@lst.ac.uk or phone 01923 456125 and provide an alternative payment plan for approval by the Credit Controller.

- Payments must be made according to the mutually agreed payment plan and new circumstances must be communicated as soon as they arise.
- The School has limited bursary funds to assist existing students with financial difficulties. Bursary applications can be made to the Bursary Committee three times each year in *November, February and May*.

6. STUDENT LOANS

Only the **full-time** MAiTH degree programme is "designated" by Student Finance, and as such eligible full-time students apply for student finance.
