POSTGRADUATE TERMS & CONDITIONS

1. TUITION FEES:

• Programme Fees

Programme Fees cover tuition for the whole academic year and are not refundable if a student withdraws part way through the year. Students who withdraw from their course of study during the year are liable for fees for the entire year.

• Middlesex University Registration Fees

In addition to Programme Fees that students pay to LST, fees are also paid to the School to cover the costs of registration and other academic administration with Middlesex University who validate our programmes. They are payable in Year 1 and Year 2 only. Middlesex University Registration Fees are non-refundable.

2. SUBSIDISED PROGRAMME FEE RATE:

- A reduced programme fee rate applies to British and other EU nationals and to students carrying a passport of countries with a lower-middle Gross National Income (GNI) according to the World Bank.
- For students commencing in 2023-2024 the subsidized programme fee applies to countries with a GNI of less than \$4,255 in July 2022. On request, the School accounts department (accounts@lst.ac.uk) can provide a list of these countries.
- Students from countries for which the standard rate is applicable, who then become UK citizens during their course will be charged at the subsidized rate from the start of the next academic year after becoming UK citizens. For the purposes of deciding subsidised rates the marker used by the school to determine citizenship status is the country issuing the passport held by the student.

3. PAYMENT TERMS AND DISCOUNTS:

• Payment Terms

Fees are invoiced and payable annually in advance. Payment may be made by instalments, following submission of the Payment Plan Form. The Middlesex Registration Fee cannot be paid by Instalments and is payable in full by 31st October. If a payment plan is agreed and not adhered to, interest will be added to overdue accounts. Non-payment of fees may result in withdrawal of access to School facilities.

Students who have difficulties in paying fees, or require financial assistance or information, please speak to the School's Credit Controller on 01923 456127 or email creditcontrol@lst.ac.uk at the earliest opportunity.

Final year students who have not settled all fees in full by 31st May will not be permitted to graduate.

• Raising Theologian Scholarships for missionaries and those in full time ministry

We will consider applications from long-term missionaries and those in full time ministry for a 20% scholarship on the programme fees. We would require evidence of your status e.g. for missionaries proof from your Mission Board and we would want to discuss your financial situation further before granting the discount

• Tuition Discounts for Married Couples

A discount of 25% applies to the Programme Fees of one partner of a married couple when both are studying for a full-time or part-time taught course at LST (the discount applies to Undergraduate and Master/Postgraduate Diploma programmes only and to the lower of the 2 sets of fees). Further information can be obtained from the Accounts Department upon request.

4. DEPOSITS:

Students are required to pay a minimum Fee Deposit of £850 to secure their place on the course at the School. For international students intending to travel to the UK and requiring a CAS number, a £5,000 deposit is required if wanting to stay on campus or £3,500 if arranging your own accommodation. Deposits will be offset against the first fee invoice. The deposit is non-refundable if you withdraw after 1st September 2023.

5. FINANCIAL HARDSHIP

If students are not able to meet the agreed payments, they must inform the School's Credit Controller at the earliest opportunity by email to creditcontrol@lst.ac.uk or phone 01923 456127 and provide an alternative payment plan for approval by the Credit Controller.

- Payments must be made according to the mutually agreed payment plan and new circumstances must be communicated as soon as they arise.
- The School has limited bursary funds to assist existing students with financial difficulties. Bursary applications can be made to the Bursary Committee three times each year in *November, February and May*.

6. STUDENT LOANS

The MAMS degree programme is "designated" by Student Finance, and as such eligible students may apply for student finance.
