All of these three part-time programmes (Certificate, Diploma and Degree) are “designated” by Student Finance, and as such eligible for student finance loans.

3. Payment terms and discounts:

- Payment Terms

Course Fees (except for University Registration fees) are payable by year in advance. Registration fees are invoiced in the first two years of study. If you withdraw from your course during the year, full fees will be due for the module for which you are registered.

The Registration Fees are set by Middlesex University and are paid over by LST to the University. These charges are invoiced in the first two years of study only. University Registration Fees cannot be refunded.

Students who have difficulties in paying fees, or require financial assistance or information, please speak to the School's Credit Controller on 01923 456127 or email creditcontrol@lst.ac.uk at the earliest opportunity.

Final year students who have not settled all fees in full by 31st May will not be permitted to graduate.

- Raising Theologian Scholarships for missionaries and those in full time ministry

We will consider applications from long-term missionaries and those in full time ministry for a 20% scholarship on the programme fees. We would require evidence of your status e.g. for missionaries proof from your Mission Board and we would want to discuss your financial situation further before granting the discount.

- Tuition Discounts for Married Couples

A discount of 25% applies to the Programme Fees of one partner of a married couple when both are studying for a full-time or part-time taught course at LST (the discount applies to Undergraduate and Master/Postgraduate Diploma programmes only and to the lower of the 2 sets of fees). Further information can be obtained from the Accounts Department upon request.
