Summary of 2025-26 course fees for new entrants

*Course type not listed by the provider as available to new entrants in 2025-26. This means that any such course delivered to new entrants in 2025-26 would be subject to fees capped at the basic fee amount.

Inflation statement

With the published full time fee amount for providers without a TEF provisional award having increased to £9,275, we will be increasing our fees accordingly to this amount. It is our current intention to increase our fees in future years in line with the percentage increase of any additional rise in the tuition cap set by the UK government. The one exception to this will be our online fees where for students studying 100% on-line, (whether FT or PT) we intend to keep the fees unchanged.
